Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).
(Payton Miller)

Templar Publishing. Paperback. Book Condition: new. BRAND NEW, Growing Yams in London, Sophia Acheampong, 'Makeeda?' I looked up from my phone. 'Hold this for me,' Aunt Grace said, shoving her bag into my lap as she disappeared into a cubicle. 'Great, no signal!' I mumbled, shoving my phone back into my bag. As I stared into the mirror, I began to wonder why I was dressed head to toe in a black and white ntoma, at a memorial service for someone I didn't even know? As usual, with family functions, 'no' wasn't in my parents' vocabulary. Makeeda is a fourteen-year-old Ghanian whose love of all things western causes her family to despair. She is always being compared to the dutiful and obedient Afua, her Aunt Grace's daughter. But it seems that whatever Makeeda does, it ends up in trouble. She just wants to hang out with the fit Nelson and her mates, and forget about the Ghanaian stuff. But when she has to do a school project, she begins to understand the depth of her cultural heritage and wonders if she can honour her culture and enjoy life as a London teenager.
