Accuracy: An Interactive Party Game for Teens and Adults (Paperback)

By S E Thomas

Createspace, United States, 2014. Paperback. Book Condition: New. Yesenia a Thomas (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A successful, but very pompous, author is murdered on the night of his book debut celebration. A note-intended to stop a murder-actually spurs the murderer into action due to some rearranged punctuation. Who wrote the note? Who tampered with the note? Who carried out the false instructions? Nearly everyone has a motive! An intelligent Spanish lawyer with a very thick accent discovers the truth. This dynamic, interactive dramatic reading is a great party game for you and your guests! Teens and adults will love to adopt a new persona, dress the part, and solve the mystery! No memorization required to participate in this family-friendly, hilarious party play. Consider also adapting this script to the stage as a mystery dinner theatre fundraiser for the charity of your choice! This game is for 11 people, 6 male and 5 female. Included: Invitations Name Tags Name Place Markers Clue Cards Directions for the Host/Hostess Character Descriptions 1 Copy of the Full Script All templates are available on our website (as free downloads! //.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
