Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Clarise Tan (illustrator). 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.My name is Cale Kinley and I m a fucking Virgin. Well, with the exception of my tongue. The countless things I can do with my tongue are bound to leave you breathless and begging for more, but more. is something that I can t give. It s a choice. My choice. There s a reason for that. A very good reason, and that reason is her. Riley. She s the only woman that I want to bury myself deep in. The one woman I have wanted since I was old enough to fuck. I never got my chance though, because she left. She had no choice and it stung like hell. But I couldn t let her leave without telling her how I felt. I wanted her to be my first and I didn t give a shit how long I d have to wait. It s been six years and now she s back and sexier than all hell. Just the sight of her stops my damn heart from beating. I want her and for more than just having her as my first. I m determined to have her in every way possible. She thinks this is still a game; that I ve already given myself to countless women. What she doesn t know is that I have a lot of willpower. When I want something as badly as I want her, I don t let shit stand in my way. I m going to prove that to her. There s just one little problem I need to take care of. Him.
