

The Accused (Paperback)

By Harold R Daniels

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In The Accused Daniels attempts something new. The format is radically different: sections of testimony introduce the narrative. The evidence presented in the trial is expanded and amplified by the chapter that follows it. Alvin Morlock is a simple man teaching at a small college. He is unexceptional. He lives a lonely, studious life. But he meets Louise Palaggi, a tramp, and in a moment of supreme foolishness marries her. From that moment he is doomed. But Daniels is subtle enough to make Morelock's fate a tragic event by increments. Although two people are destroyed in this book, the crime is one of being punished for stupidity and pride rather than the usual premeditation. The Accused displays Daniels' growth in writing skill and characterizations.
