Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

It's Kim's senior year and, while everyone's looking forward to graduation, she's got so much going on she can barely make it through the day. Natalie, pregnant with Benjamin O'Conner's baby, believes it's God's will for them to marry, and Ben sees it as his Christian responsibility to do so. Major red flag? He doesn't love her. Then - surprise! Kim's birth mother in Korea sends her an intriguing letter, making Kim question her reluctance to get to know another mom. And what about Maya? Is God calling Kim and her father to open their hearts and home to Kim's biracial cousin whose mother was just sentenced to five years in state prison? Kim has been through so much already, but that was then. Does she have enough faith for now?.
