Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Dog Ear Publishing, United States, 2008. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When We Were Young is an intense, and often humorous fictional narrative following the life of Jonah, a young man from a small town in Virginia, who experiences his first taste of freedom in the real world. Told in a first-person narrative, the reader is allowed access to all of Jonah's thoughts and feelings. The work begins with Jonah in high school, shortly after the Columbine massacre. Because of the way he looks-shaved head, nontraditional-type clothing-Jonah is worried about being labeled as a troublemaker and being suspended from school. After the massacre, Jonah somehow feels more comfortable because, in this tense environment, everyone is suddenly being listened to, even those who look or act differently. Although the book opens when the main character is in his last year of high school, he is just beginning to find himself. Similar to Kerouac's *On The Road*, the reader follows the character through high school graduation, a trip to New York City, the summer between high school and college, and into the first semester of college and beyond. Jonah, and the reader as well, experience love and loss, long drunken nights, success and failure. When Jonah's friends move on-to college, marriage, kids, etc.-the reader wonders if Jonah ever will. When We Were Young effectively captures the emotions of a character who feels stifled by his surroundings in a small, conservative, southern town. When We Were Young takes the reader on a journey unique to Jonah, but a rite experienced by all generations. Jason Jepson was born in Charleston, West Virginia, in 1980. He moved to Roanoke Virginia, where he spent most of his growing-up years in a...
