Coding with Scratch Workbook (Paperback)

By DK Publishing, DK

DK Publishing (Dorling Kindersley), United States, 2015. Paperback. Book Condition: New. Workbook. 277 x 211 mm. Language: English . Brand New Book. Help kids learn to code with DK Workbooks: Coding with Scratch. Computer coding is quickly becoming a necessary and sought-after skill. It is being incorporated into curriculum, beginning as early as kindergarten, to ensure students understand the languages and uses of computer coding. Quick and easy to use, especially for kids who have no experience with computer language, Scratch is currently one of the most popular and largest technology trends for children, providing a gateway to more complicated coding languages. Young coders will learn about the history of coding, how to download Scratch, and how to create projects focused on animation, loops and movement, and clever control before putting it all together to create a Grand Finale. The perfect introductory practice book to build and sharpen vital skills in one of the fastest growing industries, DK Workbooks: Coding with Scratch contains exercises, a glossary, and easy-to-follow instructions. Designed for novice coders, this workbook will walk kids through programming and Scratch using comprehensive lessons and Minecraft-style illustrations.
