Brand New Book ***** Print on Demand *****.My name is Creepy the Clown, but you can call me Creepy. I m no different from any other stuffed clown that graduated from Yale with honors. By night you ll typically find me hiding in your closet, or out on your dinner table at 3 am. scaring the ripe shit out of everyone in your house. Some people say, Creepy, how do you do it? How did you get so damn scary? For me it s just a job. I didn t choose this life. Horrifying people doesn t define me. You may say that I ve got it made these days, but you don t know where I came from. Life wasn t always this glamorous. I grew up on the mean streets of South Central LA. We didn t have too many choices. Where I was from, you either joined a clown posse, or some 3-yr old was putting his fingers up your ass . . . after he put them up his own ass. You had to prove you were tough every day. I didn t start out all creepy and scary, no. The streets did that to me. I m not going to say those children forced themselves on me, but the facts speak for themselves. You can only have some disgusting little kid keister you for so many nights before you start hiding in closets and crawling under beds. Pretty soon you realize that if you haunt those little bastards, they quit fondling you. It was my fear that galvanized my abilities to lurk and horrify those little assholes - some of which are reading this book right now....
