HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Hedge Fund Wives, Tatiana Boncompagni, The fall from the top can be a long one! Eager to play the part of dutiful wife, down-to-earth Marcy Emerson agrees to relocate from Chicago to New York City when her husband is offered a big-time job managing a hedge fund. Leaving behind her own dreams, Marcy forgoes finding a new job in favour of trying to start a family. Besides, as she soon discovers, hedge fund wives don't work, they play. Hard.! Although at first it's fun to shop and party, Marcy quickly realizes that to find her feet in this new world of excess and superficiality she needs true friends. Only problem is behind every smile lurks a stab in the back. But it's not until her suddenly social climbing husband abruptly leaves her for his thinner, blonder mistress, that Marcy decides it's time to stand on her own two feet and fight for the things that are far more important than money. In the throes of the credit crunch, this tantalising tale is perfect for fans of Sex and the City and The Devil Wears Prada who still want a bit of bling for their buck.
