This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2003 in the subject History - Basics, grade: 1,6, International University Bremen, 4 entries in the bibliography, language: English, abstract: Varying Forms of Violence in Revolutions from 1776 to 1990 The term revolution in its original meaning was a synonym for restoration of a political system which meant a return to some prior state of affairs. Only after the French Revolution did this definition change. Today we understand it as an overthrow and transformation of a political regime caused by popular rebellions or insurrections. This overthrow usually involves violent means. Some scientists even call a revolution the most consequential and (frequently) violent form of political conflict in history (1) and state that violence is an essential characteristic of revolutions. Most revolutions in fact were characterized by a large degree of violence among the government and oppositional groups. Violence in revolutions simply occurs because governments are usually not willing to transfer power to a new group of people. This of course creates tensions. Social movements, rebellions, riots, coups d etat, and other political conflicts have often been closely connected with revolutions or revolutionary situations. There are basically four major forms of violence we can distinguish between. The first and most frequent one is direct violence against the regime and its leaders. In this case government officials, politicians, or in former times nobles are attacked by the common people. Closely connected to this is violence against the police in a state. This is a rather modern phenomenon in which the police embodies the government because leaders are protected by special security agencies. A third form of violence is directed against large portions of the...
