Brand New Book ***** Print on Demand *****.Upon a hanging precipice atop of the Eagle Scout Butte there appeared a motionless and solitary figure-almost eagle-like he perched! The people in the camp below saw him, but none looked at him long. They turned their heads quickly away with a nervous tingling, for the height above the plains was great. Almost spirit-like among the upper clouds the young warrior sat immovable. It was Antelope. He was fasting and seeking a sign from the Great Mystery, for such was the first step of the young and ambitious Sioux [who wished to be a noted warrior among his people]. He is a princely youth, among the wild Sioux, who hunts for his tribe and not for himself! His voice is soft and low at the campfire of his nation, but terror-giving in the field of battle. Such was Antelope's reputation. The more he sought the Great Mystery in solitude, the more gentle and retiring he became, and in the same proportion his courage and manliness grew. None could say that he was not a kind son and a good hunter, for he had already passed the two-arrow-to-kill, his buffalo examination.
